INFORMATION ABOUT ASSESSED DISCLOSURE

Object of the *Right to Information Act 2009*

Section 3 of the RTI Act outlines the objectives of the RTI Act:

- (1) *The object of this Act is to improve democratic government in Tasmania –*
 - (a) *by increasing the accountability of the executive to the people of Tasmania; and*
 - (b) *by increasing the ability of the people of Tasmania to participate in their governance; and*
 - (c) *by acknowledging that information collected by public authorities is collected for and on behalf of the people of Tasmania and is the property of the State.*
- (2) *This object is to be pursued by giving members of the public the right to obtain information held by public authorities and Ministers.*
- (3) *This object is also to be pursued by giving members of the public the right to obtain information about the operations of Government.*
- (4) *It is the intention of Parliament –*
 - (a) *that this Act be interpreted so as to further the object set out in subsection (1); and*
 - (b) *that discretions conferred by this Act be exercised so as to facilitate and promote, promptly and at the lowest reasonable cost, the provision of the maximum amount of official information.*

Section 6 of the RTI Act addresses exclusions of certain roles or public bodies, including the Integrity Commission. It specifies that: “*This Act does not apply to information in the possession of the following persons or public authorities [including the Integrity Commission, a magistrate, the Ombudsman, the Anti-Discrimination Commissioner etc.], or in the possession of a person whose services are provided or procured for the purposes of assisting the person or public authority, unless the information relates to the administration of the relevant public authority*”.

Applications for assessed disclosure

Applications should be forwarded to:

RTI Officer, Integrity Commission, GPO Box 822, Hobart TAS 7001
or
contact@integrity.tas.gov.au

Applications must be:

- made in writing and include information required by Regulation 4 of the *Right to Information Regulations 2010*; and
- accompanied by the application fee. This fee is 25 fee units, which is \$40.50 as at 1 July 2019 and is indexed annually. The Act provides for an applicant to apply for the fee to be waived where the applicant is a Member of Parliament in the pursuit of their official duty, is impecunious; and where it is intended to use the information being sought for a purpose that is of general public interest or benefit.

Responsibilities of the public authority

- Applicants are to be notified of the decision on an application for assessed disclosure within 20 working days of the application being accepted by the public authority.
- Before the application is accepted, the public authority has a maximum of 10 working days to negotiate with the applicant to further define the application.
- If a need to consult with a third party arises, a further 20 working days will be allowed in addition to the original 20 days.
- If these time limits are not conformed with, the application will be deemed to be refused and the applicant may apply to the Ombudsman for a review of that decision.
